Dear Valued Community Member,

Intermountain Healing Hearts (IHH) is a local non-profit 501(c)(3) group providing financial and emotional support for families of children and adults with congenital heart defects (CHDs) and childhood-onset heart disease. A majority of our members are seen through the Cardiology Clinic located at Primary Children's Hospital and live in the Intermountain West (Utah, Nevada, Wyoming, Montana, and Idaho). As a non-profit organization, we rely on generous donations from community members to fund our efforts to help those families.

We currently have over 1000 families, but with one in every one hundred children in the US-born with a heart defect, our numbers are growing steadily as families reach out for support after a shocking diagnosis or during long hospital stays. Much of the group's interaction occurs online via our website and Facebook groups where members can discuss heart-related issues, and through annual community events.

Intermountain Healing Hearts is 100% run by volunteers and donations go directly towards events for our members, CHD research, educational materials, care packages, and raising community awareness. Here's how you can help.

- **Become a sponsor of Intermountain Healing Hearts.** As a sponsor, your company logo would be listed on our website and featured at our annual fundraising events. You and your employees are invited to participate and you could also have a company booth and banner at the fundraising Walk for Healing Hearts. (See attachment for sponsorship levels.)
- **Donate gift cards, products, services, tickets/vouchers, gift baskets, etc.** In-kind donations will be used for family support and at events throughout the year. Every item donated helps us meet our fundraising goals and helps us support the members of IHH at our public silent auction.
- Monetary donations can be made via checks payable to Intermountain Healing Hearts to P.O. Box 581306, Salt Lake City, UT 84158 or online through PayPal at www.ihhearts.org. If you have items you would like to donate, please contact a board member of IHH any time throughout the year and we would be happy to come pick them up.

Please help us celebrate special hearts by donating to Intermountain Healing Hearts. Feel free to contact us with your response or any questions you might have.

Sincerely,

Board of Directors
